RECITALS

WHEREAS, subject to the terms and conditions of this Agreement, Borrower may, from time to time, seek to initiate a transaction pursuant to which Lender will lend U.S. Dollars or Digital Currency to Borrower, and Borrower will pay a Loan Fee and return such U.S Dollars or Digital Currency to Lender upon the termination of the Loan; and

II. General Loan Terms.

(a) Loans of Digital Currency or U.S. Dollars

Subject to the terms and conditions hereof, Borrower may, in its sole and absolute discretion, request from the Lender a Loan to Borrower of a specified amount of Digital Currency or U.S. Dollars, and Lender may, in its sole and absolute discretion, extend such Loan or decline to extend such Loan on terms acceptable to Lender and as set forth in a corresponding Loan Term Sheet.

(b) Loan Procedure

From time to time during the Term of this Agreement, during the hours of 9:00 am New York time to 4:00 pm New York time on a Business Day (the “Request Day”), by email directed to Lender Email (or such other address as Lender may specify in writing), an Authorized Agent of Borrower may request from Lender a Loan of a specific amount of Digital Currency or U.S. Dollars (a “Lending Request”). Provided Lender receives such Lending Request prior to 3:00 pm New York time, Lender shall by email directed to Borrower Email (or such other address as Lender may specify in writing) to inform Borrower whether Lender agrees to make such a Loan. If Lender fails to provide Borrower with an acceptance as to a particular Lending Request prior to Close of Business on the Request Day, such Lending Request shall be deemed to have been denied by Lender.

As part of its Lending Request, Borrower shall provide the following proposed terms:

- (i) Whether U.S. Dollars or Digital Currency, and if Digital Currency, the type of Digital Currency;
- (ii) the amount of Digital Currency or U.S. Dollars;
- (iii) whether the Loan is to be a Fixed Term Loan, a Term Loan with Prepayment Option, or an Open Loan;
- (iv) the Loan Effective Date; and
- (v) the Maturity Date (if a Fixed Term Loan or a Term Loan with Prepayment Option).

If Lender agrees to make a Loan in accordance with Borrower’s proposed terms, Lender shall commence transmission to either (x) the Borrower’s Digital Currency Address the amount of Digital Currency, or (y) Borrower’s bank account by bank wire the amount of U.S. Dollars, as applicable, as such Digital Currency Address or bank wire instruction is set forth in the Lending Request on or before Close of Business on the Request Day. In the event Lender requests a modification to the proposed terms, including a proposal for a Call Option, Lender shall provide notice of such, and upon Borrower’s acceptance of said modified terms, Lender shall commence transmission to Borrower’s Digital Currency Address the amount of Digital Currency set forth in the Lending Request on or before Close of Business on the Request Day.

The specific and final terms of a Loan shall be memorialized using the Loan Term Sheet, which shall be delivered and executed after the final terms of a Loan are agreed to and prior to the delivery of the Loaned Assets. In the event of a conflict of terms between this Master Borrow Agreement and a Loan Term Sheet, the terms in the Loan Term Sheet shall govern.

(c) Loan Repayment Procedure

(i) Loan Repayment

Unless otherwise specified in subsections (ii) and (iii) below, upon the earlier of the Maturity Date, the Recall Delivery Day, or the Redelivery Day (as defined below) for a Loan, Borrower shall repay the entirety of the Loan Balance to Lender by Close of Business. If Lender has not

provided to Borrower a Digital Currency Address for receiving the repayment of a Loan by Close of Business on the day prior to the earlier of the Maturity Date, the Recall Delivery Day (defined below), or the Redelivery Day (defined below), then such Loan will become an Open Loan on said Maturity Date or Redelivery Day, whichever applicable, and no additional Loan Fees shall be accrued after the Maturity Date or the Redelivery Day.

(ii) Call Option

For Loans in which the Lender has a Call Option (e.g. Open Loans, etc.), Lender may during Business Hours (the “Recall Request Day”) demand repayment of a portion or the entirety of the Loan Balance (the “Recall Amount”). Lender will notify Borrower of Lender’s exercising of this right by email to Borrower’s Email. Borrower will then have until Close of Business on the seventh Business Day after the Recall Request Day (the “Recall Delivery Day”) to deliver the Recall Amount.

In the event of a Call Option where Lender demands only a portion of the Loan Balance, Borrower shall repay said portion of the Loan Balance on the Recall Delivery Day and the remaining portion of the Loan Balance on the earlier of the Maturity Date or the subsequent Recall Delivery Day.

(iii) Prepayment Option

For Loans in which Borrower has a Prepayment Option (e.g. Open Loans, Term Loans with Prepayment Option, etc.), Borrower may notify Lender during Business Hours of Borrower’s intent to return the Loan prior to the Maturity Date or the date Lender exercises its Call Option without being subject to, and as a result will not incur, Early Termination Fees as set forth in Section III(d). Borrower shall provide said notice at least one Business Day prior to the date on which the Borrower will repay all or a portion of the Loan Balance (said later date, the “Redelivery Day”). Borrower’s exercising of its Prepayment Option shall not relieve it of any of its other obligations herein, including without limitation its payment of owed Loan Fees and Late Fees.

In the event of a Prepayment Option where the Borrower repays only a portion of the Loan Balance, Borrower shall repay said portion of the Loan Balance on the Redelivery Day and the remaining portion of the Loan Balance on the earlier of the Maturity Date, the Recall Delivery Day, or a subsequent Redelivery Day.

(d) Termination of Loan

A Loan will terminate upon the earlier of:

- (i) the Maturity Date;
- (ii) the repayment of the Loan Balance by Borrower prior to the Maturity Date;
- (iii) the occurrence of an Event of Default as defined in Section VII; however, Lender shall have the right in its sole discretion to suspend the termination of a Loan under this subsection (iii) and reinstitute the Loan. In the event of reinstitution of

the Loan pursuant to the preceding sentence, Lender does not waive its right to terminate the Loan hereunder; or

- (iv) in the event any or all of the Loaned Assets becomes in Borrower's sole discretion a risk of being: (1) considered a security, swap, derivative, or other similarly-regulated financial instrument or asset by any regulatory authority, whether governmental, industrial, or otherwise, or by any court of law or dispute resolution organization, arbitrator, or mediator; or (2) subject to future regulation materially impacting this Agreement, the Loan, or Borrower's business.

Nothing in the forgoing shall cause, limit, or otherwise affect the Term and termination of this Agreement except as specified in Section XXIII.

In the event of a termination of a Loan, any Loaned Assets or Collateral shall be redelivered immediately and any fees or owed shall be payable immediately to the appropriate party specified herein.

(c) Redelivery in an Illiquid Market

If (i) the seven-day average daily trading volume across each of the three highest-volume digital currency exchanges that report prices for the applicable Digital Currency (as measured by the 30-day average daily trading volume of the applicable Digital Currency on the Loan Date) (these such exchanges, the "Liquidity Exchanges") has decreased by 90% from the date of the Loan Term Sheet to the Maturity Date, Recall Delivery Day, or Redelivery Day, whichever applicable, or (ii) the Loaned Assets ceases to be listed on any of the Liquidity Exchanges (the duration of either event herein designated, the "Illiquid Period"), Borrower may repay the Loan in U.S. Dollars equal to the volume-weighted average price of the Loaned Assets on the Liquidity Exchanges (measured at 4:00 p.m. New York time) during the Illiquid Period, up to a maximum of 30 days (the "Illiquid Market Spot Rate").

If two of the three Liquidity Exchanges limit or suspend withdrawals or transactions in the Loaned Assets on the Maturity Date, the Recall Delivery Day, or the Redelivery Day, whichever applicable, the requirement for Borrower to return the Loaned Assets shall be temporarily suspended, without penalty or default, including without limitation the incurring of additional Loan Fees, until such time that at least two of the Liquidity Exchanges allow the resumption of withdrawals of and transactions in the Loaned Assets.

III. Loan Fees and Transaction Fees.

(a) Loan Fee

Unless otherwise agreed, Borrower agrees to pay Lender a financing fee on each Loan (the "Loan Fee"). When a Loan is executed, the Borrower will be responsible to pay the Loan Fee as agreed to herein and annualized in the relevant Loan Term Sheet and subject to change if thereafter agreed by Borrower and Lender. Except as Borrower and Lender may otherwise agree, Loan Fees shall accrue from, but excluding, the date on which the Loaned Digital Currencies or

Loaned U.S. Dollars are transferred to Borrower until, and including, the date on which such Loaned Digital Currencies or Loaned U.S. Dollars are repaid in their entirety to Lender.

Lender shall calculate any Loan Fees owed on a daily basis and provide Borrower with the calculation upon request. The Loan Fee will be calculated off all outstanding portions of the Loaned Digital Currencies or Loaned U.S. Dollars.

(b) Late Fee

For each Calendar Day in excess of the Maturity Date or the Recall Delivery Day (whichever is applicable) in which Borrower has not returned the entirety of the Loaned Assets or failed to timely pay any outstanding Loan Fee in accordance with Section III(c), Borrower shall incur an additional fee (the "Late Fee") of a 1% (annualized, calculated daily) on all outstanding portions of the Loaned Digital Currencies or Loaned U.S. Dollars.

(c) Payment of Loan Fees and Late Fees

Unless otherwise agreed, any Loan Fee or Late Fees payable hereunder shall be paid by Borrower upon the earlier of (i) five (5) Business Days after receipt of an invoice from Lender or (ii) the termination of all Loans hereunder (the "Payment Due Date"). An invoice for Loan Fees and any Late Fees (the "Invoice Amount") shall be sent out on the first Business Day of the month and shall include any Loan Fees, Late Fees, and Early Termination Fees incurred and outstanding during the previous month and periods. Borrower shall have up to five Business Days from the date of said Invoice to pay the Invoice Amount. Failure of Lender to timely send an invoice in accordance with the preceding sentence shall not be considered a material default under Section VIII(d) nor shall it relieve Borrower of its obligation to pay any Loan Fees, Late Fees, and Early Termination Fees owed herein nor negate any Event of Default resulting from Borrower's failure to timely pay such fees. The Loan Fee, Late Fees, and Early Termination Fees shall be payable, unless otherwise agreed by the Borrower and Lender in the Loan Term Sheet, in the same Loaned Assets that were borrowed, whether U.S. Dollars or Digital Currency on the same blockchain and of the same type that was loaned by the Lender during the Loan.

(d) Early Termination Fees

For Fixed Term Loans and Term Loans with Call Options, if Borrower returns the Loaned Assets prior to the Maturity Date, Borrower shall pay to Lender a fee equal to twenty percent (20%) of the Loan Fee that would have accrued from the date of the repayment until the Maturity Date of the Loan (the "Early Termination Fee"). The Early Termination Fee is due with the repayment of the Loaned Assets. The Early Termination Fee shall not apply if Borrower returns the Loaned Assets to Lender in the event of a Hard Fork (as defined in Section V) or if Lender moves up the Maturity Date to an earlier date by exercising a Call Option.

(e) Taxes and Fees

Borrower shall report to the Internal Revenue Service (“IRS”) all Loan Fees paid to Lender under this Agreement, and shall provide Lender Form 1099-INT annually documenting the amount reported to the IRS. For any Loan Fees paid in Digital Currency, such Loan Fees shall be calculated at the Coinbase Pro spot rate at 4 p.m. New York time daily on any day that Loan Fees accrue. Neither Borrower nor Lender shall have any liability to the other party for any taxes due under this Agreement.

IV. Collateral Requirements

(a) Collateral

If agreed in a Loan Term Sheet, Borrower shall provide as collateral an amount of U.S. Dollars, or Digital Currency as set forth below, or to be determined and agreed upon by the Borrower and Lender (“Collateral”) and memorialized using the Loan Term Sheet. The Collateral will be calculated as a percentage of the value of the Loaned Assets, such value determined by a spot rate agreed upon in the Loan Term Sheet. Borrower shall, prior to or concurrently with the transfer of the Loaned Assets to Borrower, but in no case later than the Close of Business on the day of such transfer, transfer to Lender the agreed upon Collateral.

Collateral shall always be valued in U.S. Dollars, but Borrower may, if mutually agreed by both parties, provide the Collateral (in whole or in part) to Lender in Digital Currency in an amount equal to the value of the Collateral in U.S. Dollars at a spot rate determined by Borrower. For the avoidance of doubt, upon the repayment of the Loaned Assets at the termination of a Loan, Lender shall return to Borrower the same amount and type of Collateral that was deposited, net of any Additional Collateral, Margin Call, or Refunded Collateral adjustments (as defined below in Sections IV(c) & (e)). If a Hard Fork in the blockchain of Digital Currency meeting the criteria in Section V occurs while Lender is holding such Digital Currency as Collateral, Lender shall return the New Tokens (as defined in Section V) to Borrower in addition to the Collateral and Additional Collateral. If a Hard Fork occurs that does not meet the criteria in Section V, Lender shall have no obligation to return any New Tokens to Borrower.

The Collateral transferred by Borrower to Lender, as adjusted herein, shall be security for Borrower’s obligations in respect of such Loan. Borrower hereby pledges with, assigns to, and grants Lender a continuing first priority security interest in, and a lien upon, the Collateral, which shall attach upon the transfer of the Loaned Assets by Lender to Borrower and which shall cease upon the return of the Loaned Assets by Borrower to Lender.

(b) Loan and Collateral Transfer

If Lender transfers Loaned Assets to Borrower and Borrower does not transfer Collateral to Lender as provided in Section IV(a), Lender shall have the absolute right to the return of the Loaned Assets; and if Borrower transfers Collateral to Lender, as provided in Section IV(a), and Lender does not transfer the Loaned Assets to Borrower, Borrower shall have the absolute right to the return of the Collateral.

(c) Margin Calls

If during the Term of a Loan the value of the Loaned Assets increases, or the value of the Collateral decreases, so that the value of the Loaned Assets becomes equal to or greater than the value of the Collateral (the “Margin Call Limit”), Lender shall have the right to require Borrower to contribute additional Collateral so that the Collateral is at least the same percentage indicated in the Loan Term Sheet relative to the value of the Loaned Assets (the “Additional Collateral”) as measured by the spot rate published on Coinbase Pro (such rate, the “Margin Call Spot Rate”).

If Lender requires Borrower to contribute Additional Collateral, it shall send an email notification (the “First Notification”) to the Borrower at the email address indicated in Section XIII (or such other address as the parties shall agree to in writing) that sets forth: (i) the value of the Loaned Assets, (ii) the value of the Collateral, (iii) the Margin Call Spot Rate and (iv) the amount of Additional Collateral required based on the Margin Call Spot Rate. Borrower shall have twenty-four (24) hours from the time Lender sends such First Notification to (x) respond and send payment to Lender in accordance with subsection (d) below, or (y) respond that the value of the Loaned Assets, value of the Collateral, or spot rate as indicated on Coinbase Pro as applicable, has decreased sufficiently such that it is no longer at or above the Margin Call Spot Rate. If Lender agrees by email that Borrower’s response according to (y) above is correct, then no other action is required by Borrower.

If Borrower fails to respond to the First Notification within twenty-four (24) hours, or Lender rejects Borrower’s response pursuant to (y) above and the spot rate of the Loaned Assets is still at least at the Margin Call Spot Rate, Lender shall send a second email notification (the “Second Notification”) repeating the information in provisions (i) – (iv) in the preceding paragraph. Borrower shall have twelve (12) hours from the time Lender sends the Second Notification to respond according to (x) or (y) in the preceding, and Lender has the right to accept or reject Borrower’s response as stated above. Upon Lender’s rejection of Borrower’s response to the Second Notification, Borrower shall make immediate payment of Additional Collateral as set forth in Section IV(d) below. Failure to provide Additional Collateral, or failure by Borrower to respond to either the First Notification or the Second Notification, shall give Lender the option to declare an Event of Default under Section VII below.

Borrower acknowledges that its obligations hereunder, including those in this Section IV, continue regardless of Lender’s request for Additional Collateral and Borrower’s acceptance or rejection of the same.

(d) Payment of Additional Collateral

Payment of the Additional Collateral shall be made by bank wire to the account, or if applicable the Digital Currency Address, specified in the Loan Term Sheet or by a return of the amount of Loaned Assets necessary to make the Collateral percentage indicated in the Loan Term Sheet correct based on the Margin Call Spot Rate. For any return of Loaned Assets made in accordance with this Section, Borrower is still responsible for payment of any Early Termination Fees that apply to the particular Loan.

(e) Refund of Collateral

If during the Term of a Loan the value of the Loaned Assets decreases, or the value of the Collateral increases, so that the value of the Collateral relative to the value of the Loaned Assets becomes equal to or greater than the percentage indicated in the Loan Term Sheet (the “Collateral Refund Limit”), Borrower shall have the right to require Lender to return an amount of Collateral so that the Collateral is at no greater than the percentage indicated in the Loan Term Sheet relative to the value of the Loaned Assets (the “Refunded Collateral”) as measured by the spot rate published on Coinbase Pro (such rate, the “Collateral Refund Spot Rate”).

If Borrower requires Lender to repay Refunded Collateral, it shall send an email notification (the “First Refund Notification”) to the Lender at the Lender Email that sets forth: (i) the value of the Loaned Assets, (ii) the value of the Collateral, (iii) the Collateral Refund Spot Rate and (iv) the amount of Additional Collateral required based on the Margin Call Spot Rate. Lender shall have twenty-four (24) hours from the time Borrower sends such First Refund Notification to (x) respond and send payment to Borrower in accordance with subsection (f) below, or (y) respond that the value of the Loaned Assets as a percentage of the value of the Collateral has increased sufficiently such that it is no longer at or below the Collateral Refund Spot Rate. If Borrower agrees by email that Lender’s response according to (y) above is correct then no other action is required by Lender.

If Lender fails to respond to the First Refund Notification within twenty-four (24) hours, and the value of the Loaned Assets is still at or below the Collateral Refund Spot Rate, Borrower shall send a second email notification (the “Second Refund Notification”) repeating the information in (i) – (iv) in the preceding paragraph. Lender shall have twelve (12) hours from the time Borrower sends the Second Refund Notification to respond according to (x) or (y) in the preceding paragraph. Failure by Lender to respond to either the First Refund Notification or the Second Refund Notification shall give Borrower the option to declare an Event of Default under Section VII below.

(f) Payment of Refunded Collateral

Payment of the Refunded Collateral shall be made by bank wire to the account specified by the Borrower or to a Digital Currency Address specified by the Borrower, as applicable.

(g) Return of Collateral

Upon Borrower’s repayment of the Loan and acceptance by Lender of the Loaned Assets into Lender’s Digital Currency Address, with such delivery being confirmed on the relevant Digital Currency blockchain ten times, Lender shall initiate the return of Collateral within two Business Days to a bank account designated by Borrower or, where Digital Currency is Collateral, into an applicable Digital Currency Address on the behalf of Borrower.

V. Hard Fork

(a) Notification

In the event of a public announcement of a future Hard Fork or an Airdrop in the blockchain for any Loaned Assets, Lender shall provide email notification to Borrower.

(b) No Immediate Termination of Loans Due to Hard Fork

In the event of a Hard Fork in the blockchain for any Loaned Assets or an Airdrop, any outstanding Loans will not be automatically terminated. Borrower and Lender may agree, regardless of Loan type, either (i) to terminate a Loan without any penalties on an agreed upon date or (ii) for Lender to manage the Hard Fork on the behalf of Borrower. Nothing herein shall relieve, waive, or otherwise satisfy Borrower's obligations hereunder, including without limitation, the return of the Loaned Assets at the termination of the Loan and payment of accrued Loan Fees, which includes the per diem amounts for days on which Borrower transfers Digital Currency to Lender and Lender transfers said Digital Currency back to Borrower pursuant to this section.

(c) Lender's Right to New Tokens

Lender will receive the benefit and ownership of any incremental tokens generated as a result of a Hard Fork in the Digital Currency protocol or an Applicable Airdrop (the "New Tokens") if any two of the following four conditions are met:

- *Hash Power*: the average hash power mining the New Token on the 30th day following the occurrence of the Hard Fork or Applicable Airdrop (calculated as a 30-day average on such date) is at least 5% of the hash power mining the Loaned Assets on the day preceding the Hard Fork or Applicable Airdrop (calculated as a 3-day average of the 3 days preceding the Hard Fork).
- *Market Capitalization*: the average market capitalization of the New Token (defined as the total value of all New Tokens) on the 30th day following the occurrence the Hard Fork or Applicable Airdrop (calculated as a 30-day average on such date) is at least 5% of the average market capitalization of the Loaned Assets (defined as the total value of the Loaned Assets) (calculated as a 30-day average on such date).
- *24-Hour Trading Volume*: the average 24-hour trading volume of the New Token on the 30th day following the occurrence the Hard Fork or Applicable Airdrop (calculated as a 30-day average on such date) is at least 1% of the average 24-hour trading volume of the Loaned Assets (calculated as a 30-day average on such date).
- *Wallet Compatibility*: the New Token is supported by either BitGo wallets or Ledger wallets within 30 days of the Hard Fork or Applicable Airdrop.

For the above calculations, the source for the relevant data on the Digital Currency hash power, market capitalization, and 24-Hour trading volume will be blockchain.info (or, if blockchain.info does not provide the required information, bitinfocharts.com, and if neither provides the required information, the parties shall discuss in good faith to mutually agree upon another data source) and the source for the hash power of the New Token will be bitinfocharts.com (or, if bitinfocharts.com does not provide the required information, the parties shall discuss in good faith to mutually agree upon another data source prior to the 30-day mark of the creation of the New Token).

If the Hard Fork or Applicable Airdrop meets the criteria above, Borrower will have up to 60 days from the Hard Fork or Applicable Airdrop to transfer the New Tokens to Lender. If sending the New Tokens to Lender is burdensome, upon Lender's written agreement with Borrower, Borrower can reimburse Lender for the value of the New Tokens by either (i) a one-time payment in the same Loaned Assets transferred as a part of the Loan reflecting the amount of the New Tokens owed using the spot rate agreed upon by the Parties at the time of said repayment, or (ii) returning the borrowed Digital Currency so that Lender can manage the split of the underlying digital tokens as described in Section IV(b) above. Alternatively, subject to Lender's written agreement, the parties may agree to other methods of making Lender whole for Borrower's failure to transfer New Tokens to Lender. In all cases, Borrower will be solely responsible for payment of additional costs incurred by any transfer method other than returning the New Tokens to Lender, including but not limited to technical costs, third party fees, and tax obligations for the transaction, including but not limited to a tax gross-up payment. For the avoidance of doubt, if Borrower returns a Loan to Lender prior to the 30th day following a Hard Fork, Borrower's obligations under this Section V shall continue for any New Tokens that meet the criteria in this subsection (c) for such Loan on the 30th day following the Hard Fork. Lender's rights to New Tokens as set forth in this Section shall survive the termination of the relevant Loan, return of the Loaned Assets, and termination of this Agreement.

The parties to this Agreement (individually, a "Party," collectively the "Parties") hereby make the following representations and warranties, which shall continue during the term of this Agreement and any Loan hereunder:

Accordingly, Borrower and Lender hereby agree that payments, deliveries, and other transfers made by either of them in respect of any Loan shall be deemed to have been made in consideration of payments, deliveries, and other transfers in respect of any other Loan hereunder, and the obligations to make any such payments, deliveries and other transfers may be applied against each other and netted. In addition, Borrower and Lender acknowledge that, and have entered into this Agreement in reliance on the fact that, all Loans hereunder have been entered into in consideration of each other.

XVI. Entire Agreement.

This Agreement, each exhibit referenced herein, and all Loan Term Sheets constitute the entire Agreement among the parties with respect to the subject matter hereof and supersedes any prior negotiations, understandings and agreements. Nothing in this Section XVI shall be construed to conflict with or negate Section XV above.

XVII. Successors and Assigns.

This Agreement shall bind and inure to the benefit of the respective successors and assigns of each of the parties; provided, that Lender may not assign this Agreement or any rights or duties hereunder without the prior written consent of the Borrower (such consent to not be unreasonably withheld). Borrower may assign this Agreement or any rights or duties hereunder upon notice to Lender. Notwithstanding the foregoing, in the event of a change of control of Lender or Borrower, prior written consent shall not be required so such Party provides the other Party with written notice prior to the consummation of such change of control. Delivery of an executed counterpart of this Agreement by email or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any Party delivering an executed counterpart of this Agreement by email or other electronic method of transmission also shall deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement.

XX. Relationship of Parties.

Nothing contained in this Agreement shall be deemed or construed by the Parties, or by any third party, to create the relationship of partnership or joint venture between the parties hereto, it being understood and agreed that no provision contained herein shall be deemed to create any relationship between the parties hereto other than the relationship of Borrower and Lender.

XXI. No Waiver.

The failure of or delay by either Party to enforce an obligation or exercise a right or remedy under any provision of this Agreement or to exercise any election in this Agreement shall not be construed as a waiver of such provision, and the waiver of a particular obligation in one circumstance will not prevent such Party from subsequently requiring compliance with the obligation or exercising the right or remedy in the future. No waiver or modification by either Party of any provision of this Agreement shall be deemed to have been made unless expressed in writing and signed by both parties.

XXII. Indemnification.

Lender shall indemnify and hold harmless Genesis, or any of its parents or affiliates, from and against any and all third party claims, demands, losses, expenses and liabilities of any and every nature (including attorneys' fees of an attorney of Genesis' choosing to defend against any such claims, demands, losses, expenses and liabilities) that Genesis may sustain or incur or that may be asserted against it arising out of Genesis' borrowing Digital Currency from Lender under this Agreement, except for any and all claims, demands, losses, expenses and liabilities arising out of or relating to Genesis' bad faith, gross negligence or willful misconduct in the performance of its duties under this Agreement.

The foregoing notwithstanding, this Agreement may be terminated as set forth in Section VIII or upon 30 days' notice by either Party to the other.

TRI-PARTY SETTLEMENT AGREEMENT

This Tri-Party Settlement Agreement (the “Agreement”) is hereby made and entered into and dated as of 4/10/2021 | 09:01:42 PDT

by and between

Isaac Scott Fernandez

(“Counterparty”), an individual residing at [REDACTED], and each of the entities listed on Schedule A, as defined therein, and as may be amended from time to time by any entity listed on Schedule A (each, a “Genesis Entity” and each Genesis Entity and Counterparty, a “Party” and together the “Parties”).

WHEREAS, Counterparty has entered into business relationships with one or more Genesis Entity that may include trading digital currency, borrowing or lending digital currency, trading digital currency-based derivatives, or receiving digital currency custodial services; and

WHEREAS, in the course of its transactions with Genesis Entities, Counterparty may engage in a transaction with one Genesis Entity followed immediately by a transaction with a different Genesis Entity (the combination of two such transactional components, an “Intercompany Transaction”); and

WHEREAS, when engaging in an Intercompany Transaction, to ensure prompt, efficient and secure settlement of the transactional components of the Intercompany Transaction, Counterparty may request that a Genesis Entity settle with another Genesis Entity on Counterparty’s behalf (an “Intercompany Settlement”);

NOW THEREFORE, in consideration for the promises, rights and obligations set forth below, and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. Settlement Instruction

If Counterparty engages in an Intercompany Transaction and wants to request an Intercompany Settlement then the following procedure shall be followed:

- a. Counterparty shall request such Intercompany Settlement in writing to each Genesis Counterparty involved in the Intercompany Transaction, with an email copy to each of legal@genesistrading.com and compliance@genesistrading.com.
- b. Each Genesis Entity involved in the Intercompany Transaction shall have sole discretion whether to agree to an Intercompany Settlement for any Intercompany Transaction.
- c. If all relevant Genesis Entities agree to the Intercompany Settlement for the Intercompany Transaction, one or more of the Genesis Entities shall send an email summary of the settlement to Counterparty, which shall serve as confirmation of the settlement of the Intercompany Transaction.

2. Independent Transactions

Each of Counterparty and the relevant Genesis Entities represent that any transactional components that make up an Intercompany Transaction are separate and distinct transactions, conducted at arm's length. No part of any Intercompany Transaction is conditioned on any other part of an Intercompany Transaction. Counterparty represents that it was not induced by any Genesis Entity into entering into any Intercompany Transaction with the promise of a better price on any transaction that makes up a part of the Intercompany Transaction. Counterparty agrees that any claim or dispute with any Genesis Entity relating to any transactional component is with that Genesis Entity only and no other Genesis Entity that may be party to another transactional component of an Intercompany Transaction or party to this Agreement.

3. Third-Party Delivery

Each of Counterparty and any Genesis Entity consents to the delivery of digital currency or U.S. Dollars by another Genesis Entity on behalf of Counterparty to satisfy certain obligations of Counterparty in an Intercompany Transaction, each as evidenced in and governed by the agreement or terms relevant to a certain transactional component.

4. Additional Representations and Warranties

Counterparty hereby represents and warrants to each Genesis Entity that as of the date hereof:

- a. This Agreement has been duly executed and delivered by Counterparty and this Agreement constitutes a valid and legally binding obligation of Counterparty, enforceable against Counterparty in accordance with its terms, except as limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance, and any other laws of general application affecting enforcement of creditors' rights generally.
- b. Neither the execution and delivery of this Agreement, nor the consummation of an Intercompany Transaction contemplated herein, does or will violate any statute, regulation, rule, judgment, order, decree, ruling, charge or other restriction of any government, governmental agency, or court to which Counterparty is subject or conflict with, violate or constitute a default under any agreement, debt or other instrument to which Counterparty is a party.
- c. Counterparty agrees, understands and acknowledges that (i) Counterparty is solely responsible for any decision to enter into an Intercompany Transaction subject to this Agreement, including the evaluation of any and all risks related to any such Intercompany Transaction; and (ii) in entering into any such Intercompany Transaction, Counterparty has not relied on any statement or other representation of any Genesis Entity other than as expressly set forth herein.

5. Confidentiality

Each Party shall hold in confidence all information obtained from the other Party in connection with this Agreement (collectively, "Confidential Information"). Each Party shall keep such Confidential Information confidential and shall not, without the prior written consent of the other Party, disclose such Confidential

Information to any person or use such Confidential Information for any purpose other than the transactions contemplated by this Agreement. The provisions of this Section 3 will not restrict a Party from disclosing the other Party's Confidential Information to such Party's affiliates, subsidiaries, officers, directors, employees, contractors, attorneys, accountants, bankers or consultants with a need to know such Confidential Information, and will not restrict a Party from disclosing the other Party's Confidential Information to the extent required by any law or regulation; *provided* that the Party required to make such a disclosure uses reasonable efforts to give the other Party reasonable advance notice of such required disclosure in order to enable the other Party to prevent or limit such disclosure. Notwithstanding the foregoing, a Party may disclose the other Party's Confidential Information without notice pursuant to a request or other regular routine inspection by a governmental agency or regulatory authority. The obligations with respect to Confidential Information shall survive for a period of one (1) year from the date of this Agreement.

6. Governing Law; Dispute Resolution

- a. The laws of the State of New York shall govern this Agreement, without regard to its conflict of law principles.
- b. If a dispute arises out of or relates to this Agreement, or the breach thereof, and if said dispute cannot be settled through negotiation it shall be finally resolved by arbitration administered in the County of New York, State of New York by the American Arbitration Association under its Commercial Arbitration Rules, or such other applicable arbitration body as required by law or regulation, and judgment upon the award rendered by the arbitrators may be entered in any court having jurisdiction. If any proceeding is brought for enforcement of this Agreement, then the successful or prevailing party shall be entitled to recover attorneys' fees and other costs incurred in such proceeding in addition to any other relief to which it may be entitled.

7. Entire Agreement

This Agreement, together with the Master Agreement, represents the entire Agreement between the Parties relating to the subject matter contained herein and in the event there is any conflict or inconsistency between the terms and conditions of the Master Agreement and those of this Agreement, the terms and conditions of this Agreement shall control and govern the rights and obligations of the Parties. Further, the provisions of this Agreement and the Master Agreement shall together supersede all prior oral and written commitments, contracts and understandings with respect to the subject matter contained herein. This Agreement may only be amended by mutual written agreement of the authorized representatives of each Party. This Agreement may be signed in one or more counterparts; each counterpart shall be deemed an original and all counterparts together shall constitute one and the same instrument.

In Witness Whereof, the Parties have caused this Agreement to be duly executed by their respective authorized representatives as of the day and year above written.
